# Join the Movement for cyber-Safe Society

- Almost every citizen starting from school-age to old-age using Internet
- Most unaware of underlying technology and its risk
- Cyber criminals know very well about the above
- Hence news on cyber crime a common view in Newspapers and TV channels
- Damage is from individual level (suicide by students due to cyber bullying or financial loss to common citizens due to phishing/vishing) to National level (Hacking of Govt sites, Lab portals etc.)
- Govt spending focused on technical controls – ineffective (As crime is increasing only)

**You can stop  
Cybercrime**

**:Awareness is the key solution:**

**Join a movement in society to make Cyber-safe state and Nation?**

# You can make the change....
